'A Strong & Smart School'

## A Message from...

### Mr Money

Mr Money's moment,

Welcome to our final newsletter of 2025! It has been an amazing year full of student success stories and moments where Derby District High School has broken myths around regional education.

It was fantastic to see Year 10 Student Akeelah Ozies stand up in the House of Representatives and confidently deliver her speech to parliament. It was an incredible opportunity for Akeelah and a very proud moment in time for Derby.

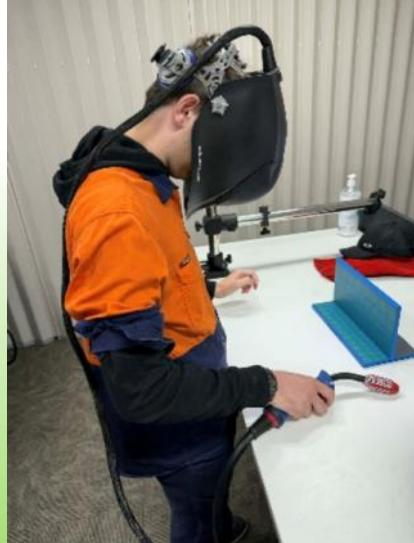

We also supported a group of students to attend a Perth camp that looked at the Industries surrounding the Defence Force. This included a site visit to BAE Systems Henderson, The Rottnest Island Battlements and Rockingham TAFE where they used Augmented Reality Welding training machines and saw huge Navy vessels in construction.

We look to finish the term off on a high with a fantastic End of Year concert on the 16<sup>th</sup> December. It will be a heap of fun and packed full of celebrations.

Again, It has been a privilege to be the principal of such a fine school in the best town in the Kimberley.

Thank you to all staff and students for another hugely successful year, thank you to parents and caregivers for all of your ongoing support. It has been a blast.

Take care over the holiday period. Be awesome! Mr \$\$

# Early Years and Primary School News

...with Mr Angus and the Early Years Team

The past few weeks have been full of exciting learning opportunities, celebrations and preparations across our Primary School at Derby District High School.

In Early Years, we have been busy preparing our youngest learners for school through the Kindy Ready Program, helping students build confidence and essential skills for a successful start to their schooling journey. Walker Learning continues to be a highlight, with students thriving through hands-on, play-based learning experiences thanks to the dedication and hard work of our staff.

Our Year 1 and 2 students have also enjoyed swimming lessons over the past few weeks. It has been wonderful to see so many students putting in their best effort while building confidence in the water, with the extra bonus of cooling down in the warmer weather!

Pre-Primary students impressed families and staff with a wonderful assembly, and we are looking forward to celebrating their achievements at the Pre-Primary Graduation on 11 December.

In Middle Primary, students thoroughly enjoyed A Stitch in Time, gaining hands-on learning experiences and connecting with new skills and ideas. Students also participated in engaging wellbeing workshops and have been busy working on a lyrics, song and video production project, which will be released shortly, we can't wait to share it with our community.

Year 2 and Year 4 classes are also looking forward to upcoming excursions linked to On Country and Two-Way Science. A huge thank you to our dedicated staff for supporting these valuable learning opportunities.

In the Upper Primary it has been a busy and exciting time in our Upper Primary space! Our Year 6 students have been hard at work perfecting their dance routines for the upcoming Graduation Ceremony on Thursday, 11th December. Their enthusiasm and teamwork are shining through, and we can't wait to see their final performance.

Our Year 5 students have also been working hard, crafting their Student Leader Speeches in preparation for presentations on Monday, 8th December. We are so proud of the confidence and leadership skills they are developing as they put their ideas and goals into words.

# Early Years and Primary School News

...with Mrs Franz, Mrs Dowding and Mr Angus

Across Years 5 and 6, students continue to impress us with their incredible writing. The growth we're seeing is a testament to their effort and our expanding Talk for Writing program, which is building confident, creative and capable writers.

We also celebrated wonderful award ceremonies at the Clontarf Awards Night and Shooting Stars Luncheon, where many of our upper primary students were recognised for their outstanding attendance and commitment to their learning. It was fantastic to see their hard work acknowledged.

Looking ahead, next week our Year 6 cohort will experience a taste of high school life as they participate in two days of Year 7 classes and routines. This transition experience is an exciting step as they prepare for their journey into secondary school.

## Looking Ahead

As we move toward the end of the year, there are several important dates for families:

- Primary Transition 4th and 5th December
- End of Year Book Awards: 10th December
- Year 6 Graduation 11th December
- Pre-Primary Graduation: 11th December
- Reports home to families: 15th December
- End of Year Concert: 16th December
- Last day for students: 18th December

From Angus, Tara and Amy, thank you to all families and community members for your ongoing support throughout 2025. We wish everyone a Merry Christmas and a safe and restful holiday break. We look forward to welcoming you back for

## UWA Aspire Camp

Last week, four Year 9 students proudly represented Derby District High School on an inspiring trip to Perth, focused on the University of Western Australia (UWA). The students experienced life as undergraduates by trialing courses like Geography, where they worked with seismic graphs and created model earthquakes, and Pharmacy, where they practiced applying bandages and made blister packs. Exploring the UWA campus and meeting students from other schools giving our students a valuable, first-hand look at future educational opportunities.

The Camp tour continued with visits to Perth. At Scitech, the students learned about the creation of Earth during a captivating session in the Planetarium. They concluded their trip by exploring the diverse and amazing exhibits at the WA Museum Boola Bardip. We congratulate these four Year 9 students on their excellent participation in this successful and horizon-broadening excursion.

# Year 9 Try a Trade

During Week 7, nine Year 9 students spent three days working with North Regional TAFE in Derby on the Try A Trade – Construction program. Swapping school uniform for high vis and steel caps, they learned about health and safety in the workplace, safe handling and use of tools and how to use different power tools. Thanks to their hard work, Derby District High School now has three brand new picnic benches to add to our school grounds. Fantastic work Year 9's!

Derby District High School would like to thank Mr Jeff for supervising the students all week, the Career Taster Program, North Regional TAFE, TAFE lecturer Dave Noonan and the Construction Training Fund for their support with this program and for the valuable opportunities these programs provide our students.

# Pastrol Ops

...with Mr Noble and Miss Mandjian

## Elders Trip

As part of their Unit in Pastoral Operations the Year 8 students made a visit to Elders. Whilst there they had to use their new knowledge on feeding regimes to find the available feeds and supplements for specific types of horses. As part of the activity the students were assigned a horse and they had to work out which of the feeds their animal needed. A racehorse in full work will need a very different style of feed to a retired horse sleeping in the paddock. The students had to assess the available feeds by reading the information on the products to make their choices.

All the students were well behaved and represented our school well in a public space.

Paul Noble and Izabella Mandjian.

## Parent Communications using Compass Online

Compass is an easy, secure way to communicate electronically with teachers.

Currently our school has the following features available in Compass:

- View up-to-date attendance information
- Approve or enter upcoming or past absences for your child
- Update your registered email and mobile number (used for SMS alerts)
- Contact your children's teacher through email
- Access information regarding upcoming events and news (coming soon)

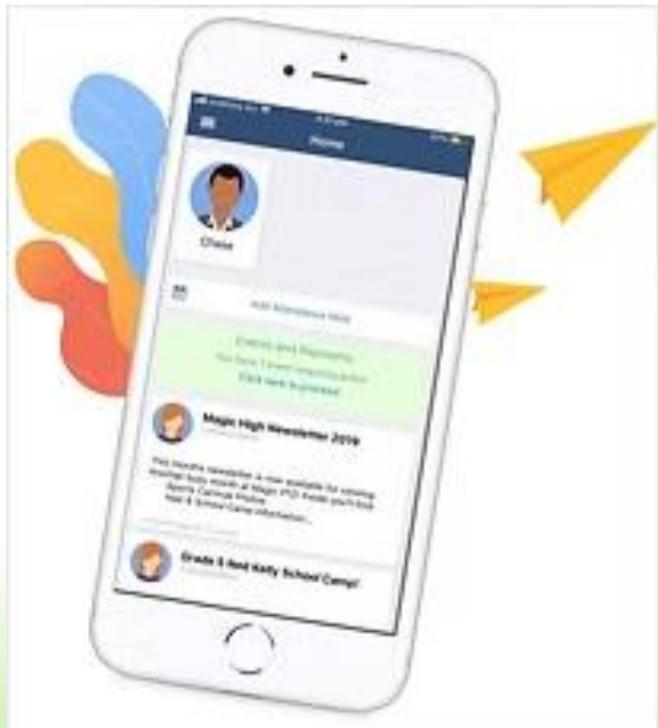

The school will advise when further features will become available.

### Compass App

The Compass App is available to download for iOS from the App Store or Android from the Play Store. Simply search for Compass School Manager in the store.

Parents / Carers will be given their own secure login to compass it will have a username and a password attached. This will give you access to the Compass portal. If you haven't received a username and password for your child please give us a call at the office or email [derby.dhs@education.wa.edu.au](mailto:derby.dhs@education.wa.edu.au)

If you would like more information on setting up Compass and how this works, please contact our the ladies at front office in (08) 9193 3000

# Important Canteen Notices

## For parents and/or Guardians:

Please be advised that our canteen now has an EFTPOS machine.

This is for same day orders **only**.

We ask that students with accounts continue to pay by card at the front office.

**We are no longer accepting book ups at the canteen.**

If your student wants to order recess/lunches, please make arrangements to set up a payment method ASAP.

You can set up payment methods via CentrePay, EFTPOS, Cash or Direct Deposits and our friendly staff in the Front Office can help you do this.

## **Need to Contact the Canteen?**

Please contact **Kellie Randall or Keryn Pawczynski** on **08 9193 3000** for all Canteen/account enquiries.

## **January 2026 VACSWIM enrolments are open**

As we head towards the school holidays a lot of families are starting to get back into the water or planning holidays by the beach, rivers or swimming pools. It is important we help them support their child stay safe and confident in the water.

VacSwim provides children 5 to 17 years of age with the opportunity to develop and progress their swimming and water safety skills during the school holidays across the State. There are programs for beginner, intermediate and advanced swimmers.

Students who complete Stages 13 to 16 through VacSwim enjoy the benefit of having their rescue award fees waived by Royal Life Saving Society WA. It is a great opportunity for them and a huge benefit to the community.

**Enrolments are now open, and families can enrol online.**

Further information, details of locations and information on how to enrol is on our website.

# Reminder of unpaid camp and school fees

Has your child attended a school camp this year?

All school camps have charges that will require payment. If you have not already paid your child/s camp fees please make arrangements asap.

We also encourage you to make payments for school voluntary contributions where possible.

You can make these payments via cash, cheque, direct deposit and we also have Eftpos, facilities available

## For parents and/or Guardians:

Have you Changed your Address?

Got a New Phone Number?

As Term 4 comes to an end, many families have changed addresses and/or contact details. If this has occurred, it is important that we have up to date information.

The safety of the children at our school is of the utmost importance, however when a child becomes ill or there is an accident in the playground, we need to be able to contact parents immediately. In order for this to occur, the records that are kept on file must be relevant and up to date.

Therefore, we need our parents to inform the Front Office of any changes to personal details - most importantly phone contact and address details.

We appreciate your assistance in this matter by contacting the **Front Office on (08) 9193 3000** as soon as possible
